

School 125 in Snezhinsk was founded in 1962. It is a school for students in grades kindergarten through 11th grade. Students attending school 125 range in age 6 through 17 years of age. Most of them have academic potential far above their age peers because of their emphasis in mathematics, physics, chemistry and English. Our school is the school with extensive learning of mathematics.

There are about 900 students and 64 teachers in our school.

Children of our school have many abilities of extra class activities. For example, there is a school choir, a group of violinists, many sport clubs and a computer club. We have 3 computer laboratories at school. Our school e-mail is: sc125@snezhinsk.ru

CRITICAL ISSUES FORUM 2002

MISSILES AND MISSILE DEFENSE

Participants: 9,10-grade students from school 125: Michael Pletenyov,
